

Founded Since 1983, Vikko Stationery Co Ltd. specializes in design and manufacturing of all kinds of note books. We have two unique inventions just hit the market in 2023 namely Silicone Ring Notebooks and Magnetic Soft-ring Binder, both of which are patented in China, Europe and North America. We can also supply other various kinds of traditional notebooks at competitive price. We also design and manufacture various pencil cases as an extended product lines to match our notebook design. We are happy to fulfill your OEM and ODM needs.

可压软胶圈

书写舒适不硌手

We invented a new form of bindings, its called butterfly silicone binders, it can pull open at any page when the notebook is laid flat. it has few advantages: 1. it is soft and looseleaf. 2. unlike metal rings, it doesnt require plating on metal which could be environmentally hazadous, and metal ring could accidentally hurt your hand. 3. you can DIY the parts and reasselbe as you like.

To Promote the Progress

of Science and Useful Arts

The Director

of the United States Patent and Trademark Office has received an application for a patent for a new and useful invention. The title and description of the invention are enclosed. The requirements of law have been complied with, and it has been determined that a patent on the invention shall be granted under the law.

Therefore, this United States

Patent

grants to the person(s) having title to this patent the right to exclude others from making, using, offering for sale, or selling the invention throughout the United States of America or importing the invention into the United States of America, and if the invention is a process, of the right to exclude others from using, offering for sale or selling throughout the United States of America, products made by that process, for the term set forth in 35 U.S.C. 154(a)(2) or (c)(1), subject to the payment of maintenance fees as provided by 35 U.S.C. 41(b). See the Maintenance Fee Notice on the inside of the cover.
